## CAREER OBJECTIVE

Aspiring **Computer Science Engineer** and passionate **Flutter Developer** with a strong foundation in programming and software development. Eager to contribute to impactful **mobile & web applications** while improving problem solving and teamwork skills. Looking for a challenging environment that fosters **growth, innovation, and technical excellence**.

## EDUCATION

**Aditya College of Engineering and Technology**, Surampalem 2023-2027  
Bachelor of Technology in Computer Science and Engineering

**Sri Chaitanya Junior College**, Visakhapatnam 2021-2023  
Senior Secondary (class XII) in MPC

## TECHNICAL PROJECTS

**MedEase** — Flutter, Dart, Firebase, APIs

- Developed a cross-platform mobile application using Flutter and Dart for medical store management and doctor appointment booking. Integrated Firebase and REST APIs to enable secure data management and seamless communication between users and healthcare services.

**HomeUs** — Flutter, Dart, Firebase, APIs

- Developed Home Us, a rental house listing application that allows users to browse available houses, view property details, and contact owners easily. Implemented Firebase integration and API-based data handling to provide dynamic property listings and efficient user interactions.

**Midnight-Wish** — react, Firebase

- Developed Midnight Wish, a personalized greeting web application that allows users to create countdown-based wishes for birthdays and special occasions. Implemented Firebase integration for storing and managing personalized wishes, with a responsive React-based interface for a smooth user experience.

## WORK EXPERIENCE

Summer Internship **Certificate** May 2025 – June 2025

- Completed a summer internship at **Technical Hub Pvt Ltd**.
- Worked with **Google Flutter** and excelled in major concepts: Dart Programming, Widget Fundamentals, Navigation and Routing, Material Design.

## PROGRAMMING ACHIEVEMENTS

- Solved **205+** problems on **LeetCode**. [Profile](#)
- Solved **100+** problems on **GeeksForGeeks**. [Profile](#)
- **1 Star** coder at **CodeChef** (Max Rating: 1200). [Profile](#)

## SKILLS AND INTERESTS

**Programming Languages** : C++, C, Dart, SQL

**Technical Knowledge**

Frontend Development : Flutter, HTML, CSS

Database : MySQL

Developer Tools : Visual Studio Code, Git, GitHub, Postman

**Proficiencies** : Competitive coding, Data Structures and Algorithms

**Non-Technical** : Problem Solving, Teamwork, Public Speaking, Travelling

## CERTIFICATIONS

- **IT Specialist– HTML & CSS** [Certificate](#)
- **GitHub Foundations** [Certificate](#)
- **MongoDB Associate Developer** [Certificate](#) — [Digital Badge](#)
